

Nurture Experience Respect Community

1st May – Weekly Newsletter

Parent Open Days This Week

This week we have thoroughly enjoyed welcoming parents into school for our open days. It has been a pleasure to spend time talking together about the children's progress, their character, and the hard work they show each day. These conversations are always valuable and help us to continue supporting every child to do their very best. We are extremely grateful for the overwhelming support we receive from our families and thank you for working so closely with us.

Community Support for Our School Wildlife Area

We would like to share a recent example of community support for our school. Ollie-Ray wrote a polite and thoughtful letter to a local business to ask for help with developing a wildlife area in our school grounds.

As a result, Ollie-Ray and his friend Theo were invited to choose items to support the project. They selected a range of plants and garden decorations to contribute to the area.

We would like to thank Tesco for their support and effort to help improve our school environment.

Sunny Weather Reminder

As the weather starts to improve and we enjoy more sunny days, we would like to remind parents to help children come to school prepared for warmer conditions. Please ensure your child brings a sun hat to wear when outdoors and has sunscreen applied before coming to school each day.

These simple steps will help children stay comfortable and enjoy their time outside safely. Thank you for your continued support.

Congratulations to this week's achievers:

Awards for week ending 01-05-2026

	Kindness	Pupil of the week	Learner of the week
