Congratulations to this week's achievers:

Neon Glow Day – Friday 22nd May

Awards for week ending 15-05-2026

Get ready to shine! Next Friday (22nd May), we will be hosting a fun-filled Neon Glow Day at school. Children are invited to come dressed in neon or white clothing to make the most of our special ultraviolet lights—these colours will glow brightly and add to the excitement of the day!

Throughout the event, children will enjoy dancing to music and taking part in a lively, glowing atmosphere with their friends. It promises to be a fantastic experience full of fun, movement, and smiles.

We can't wait to see everyone glowing on the day!

Summer Half Term 2

As we approach the next summer half term, we are looking forward to an exciting and busy period in school!

There is lots to look forward to, including a range of school trips, sports days, and special graduation events for our children. These occasions are always highlights of the year and provide wonderful opportunities for children to learn, celebrate, and enjoy time together.

In addition, all children will be taking part in transition activities within school to help them prepare for the next stage of their learning. Our Year 2 children will also be visiting the junior school as part of their transition, helping them to feel confident and ready for their move in September.

We understand that advance notice is particularly important for working parents, and we will ensure that full details and dates are shared as soon as possible so that you have plenty of time to make arrangements.
