Welcome Back

What a fantastic start to the new school year! We are absolutely thrilled to welcome all our pupils—both returning faces and new starters—back to Cockton Hill Infants'.

The children have settled into their new routines remarkably well. Across all classrooms, there has been a wonderful, warm atmosphere as the children have had a lovely time getting to know their new teachers, learning their way around, and reconnecting with friends.

We are really pleased with how well everyone has started. The children have come into school ready to learn and have made a great impression on the whole staff team. Thank you for your support in getting them off to such a good start, and we look forward to a positive term ahead.

Important: The Arbor Parent App

We use the Arbor App as our primary way to communicate important news, updates, and messages directly to parents and carers. It is also the quickest and easiest way for you to check and update your personal details—such as phone numbers, emergency contacts, or home addresses—ensuring we always have the correct information on file.

You should have received an email containing your login details and instructions on how to set up your account. If you haven't seen this email, please check your junk or spam folder.

If you have any issues setting up the app, accessing your account, or updating your details, please drop by or contact the school office, and a member of the team will be happy to help get you sorted.
